Payment Plan

| Outstanding Amount | Amount Payable (50%) | Amount Payable Per Month (6 Months) |
|--------------------|----------------------|-------------------------------------|
| 7,859.00 | 3,929.50 | 654.92 |

If you click “**I do not accept**” You have an option to choose the Amount Payable and Amount Payable Per Month. The % should only be changed if the amount owed is less than R20 000, as you would pay less than 50% to get your debt down to R10 000. In all other cases, the percentage must be left at 50%, otherwise the payment plan will not be approved.

The screenshot shows the University of Zululand AOD Application interface. The header includes the university logo, the text 'UNIVERSITY OF ZULULAND Test4.1', and the date 'Wednesday, 5th January 2022'. A navigation menu on the left lists various student services. The main content area is titled 'Payment Plan Adjustments' and features a table with columns for 'Outstanding Amount', 'Amount Payable', and 'Amount Payable Per Month'. The 'Amount Payable' and 'Amount Payable Per Month' columns have dropdown menus set to '50%' and '6' respectively. Below the table is a 'Motivation for Payment Plan*' text area with a character count of 1000. At the bottom, there are three buttons: 'I Accept', 'I do not Accept', and 'Print Information'. A yellow callout box points to the 'Amount Payable Per Month' dropdown with the text 'Amount Payable Per months can be changed based on affordability'.
